Does your company have a matching gifts program? Yes No

Matching Gift Policy: Many companies match employees' charitable contributions. You can check with your employer to see if your company has a program and ask donors if their employers match gifts. Many companies issue matching gift checks quarterly or semi-annually; if you plan to use a match to reach your minimum, it is your responsibility to contact the matching company to ensure the check is issued before the race date. If the company's match cycle is past the race date or for some reason Dignity Matters does not receive the matching gift check prior to the race, the match may not count towards your minimum. It is your responsibility to notify Dignity Matters of any documentation we need to supply your employer in order to meet this deadline.
